Professor Dr. Sc. Dr. h. c. mult Michael Henry Boehme has been appointed as the Vice Chancellor of the German University Bangladesh. Recently the Honorable President and Chancellor of the Universities has approved his appointment. Mr. Michael Henry Boehme, Who is a German citizen, an eminent Academician was a Dean, Humboldt University of Berlin, Faculty of Agriculture and Horticulture, Department of Horticultural Plant System, Berlin, Germany, prior to his joining here. He has a long academic career both in home and abroad and had enormous contribution in the field of research activities which drew down his reputation particularly in Agro based sector.

The Trustee Board of the German University Bangladesh (GUBT) has welcomed his appointment as the Vice Chancellor and the Directors are quite optimistic that he, under his dynamic and progressive leadership would elevate the standard of Higher Education and put a significant role that would be helpful in maintaining peace and harmonious relationship among the members of the GUB in the days to come. Hopefully it would be one of the reputed universities and act up to expectation of the management of GUB and it would get into a new era of Quality of Higher Education. We are determined that we would never fall behind with the honest labor of the Board of Trustee.
