Academic Session:
The academic year is divided into two semesters and each semester consists of 18 weeks. The GUB will follow its holyday list. The Classes are scheduled to be conducted five days a week & it will be held between 9am to 6 pm. A day is scheduled for research activities.
Teaching methods such as lecture, seminars, workshops & Laboratory training will be followed. Practical training will also be offered in selected enterprises and financial Institutions.

Accreditation:
The curricula & syllabi of GUB have been approved by the University Grants Commission (UGC) of Bangladesh.

Class Rooms:
All the class rooms are spacious, well decorated & air-conditioned.

Computer facilities:
GUB has its own modern PC pool for related courses. The campus is covered with Internet and Wi-Fi facilities. All Students and the Teachers have access to Internet.

Hostel:
Well-decorated hostel with modern rooms & facilities are available for both male and female students. The management of the hostel is being looked after by the appropriate body of the university.

Language:
The medium of Instruction is in English.GUB is planning to introduce a course on German language shortly.

Library:
The library is equipped with Books on different disciplines with new editions and reading materials. E- Library is also going to be started soon.

Cafeteria and Common Rooms:
GUB has its own cafeteria located in the ground floor. Common rooms are separate for male and female students.

Waiver:
GUB Provides Provision of waiver on tuition fees for poor and meritorious Students. The waiver may be extended up to 100% for meritorious Students.

Specialised Labs:
A well-equipped lab designed by experts with modern apparatus has been set up for teaching & research purpose. Labs will be utilized for Practical training in Chemistry, Biochemistry, Biotechnology, Microbiology, Food Science, Tissue culture & Computer science and Engineering Subjects.

Study programs:
The study programmes are conducted by a group of qualified & experienced faculty members from Bangladesh and European countries specially from different universities of Germany. The teachers are selected by the panel of experts on the basis of UGC requirements.
